Hello Everyone! Please excuse us for having a late newsletter. We have had a fabulously busy camp time!

Lesson Sign-ups for the Fall Schedule are filling fast! We are looking forward to an excellent lesson program, so please get in touch so that we can find an appropriate schedule for everyone.

Pony Club has had a wonderful first summer with game days, guest speakers and lots of riding. If your child is not in Pony Club yet, but you think they may be interested, please talk to Michelle so that she can answer all your questions. ☺

Welcome to some new combinations: Welcome to Maria who has found a wonderful horse Marley (Percheron Cross with a beautiful personality) and Chelsea who has found Crescent (a lovely Warmblood mare who is very athletic).

Check out all the new Pictures of the Foals on the website, each foal has their own album.

What's Happening at the K

We have had a wonderful camp time this year. With lots of different levels of riding, our students got to learn everything from posting trot to cross country jumping. Some even enjoyed some great day trips off the farm. Thank you to all who volunteered for the program as each camper gets so much more out of it. Pictures will be up soon on the website so keep checking!

Also, Forsyth Tech is offering educational classes for Equine Management this fall. They are evening classes (once per week) and Michelle will be teaching the Thurs night session of Intro to Horse Management. If you are a horse owner, or even thinking about owning a horse this is a great way to get a better perspective of what it takes. Classes start on Aug 20th so sign up fast. Attached is a flier with a phone number for more information, or just call HKS.

Pony Club Update

The girls had an excellent time attending a games day in July to raise money. They did everything from pole bending, barrel racing, apple bobbing, etc. and won many ribbons!! The horses were well taken care of in the July heat (so thank you girls), and they all had a wonderful time. It is always so great to see these girls out enjoying themselves!

The next two months dates are: August 15th (Mounted) and August 19th (Unmounted) September 5th (Mounted) and September 16th (Unmounted).

The next rating for those who are interested is October 10th offering D1-D3.
